

ABOUT US

Niks Technology Private Limited, established in 2014, has evolved into a leading IT solutions provider known for implementing industry best practices and delivering quality services across diverse verticals. Our comprehensive offerings include Digital Marketing, Software Development, Mobile App Development, Website Development, Drone Accessories, and Agricultural Drone solutions, complemented by structured classroom training and certification courses offered online and offline during students' breaks. We continuously innovate and customize our services to meet client needs, integrating cutting-edge tools and technologies to ensure optimal service delivery and client satisfaction. With a strong emphasis on digital marketing expertise, Niks Technology combines data-driven strategies with years of experience to capitalize on marketing opportunities across channels in real-time. Anchored by our core values of innovation, information, and intelligence, we are committed to advancing as both a technology service provider and a training organization, prioritizing quality, client satisfaction, and sustainable growth through professionalism and strategic diversification of our portfolio and infrastructure. We have a diversified product portfolio, which primarily caters to growing IT services sector but not limiting to it. We cater the need of students through our skill enhancement and value addition courses. We provide the courses at our education centres. We provide an improved product mix to our customers and their preferences thereby targeting a wider customer base. Our growth is further driven by our ability to make available an assortment of quality products under trusted brands built by our Company. A failure to maintain quality standard can prove to be extremely detrimental to the business of our Company. We give quality the utmost priority at all stages, to ensure our customers are thoroughly satisfied.
